CLUB ASSEMBLY

Club Assembly for Reynolda Rotary will be Friday, February 12, 2010. This is a club-wide opportunity to learn about all that our club is involved in, as well as to participate in open discussion of key issues. In particular, President Hinman wants to hear creative input on the growing issue of retention of members when retirement from the workplace enters their planning. The economy is having an increasing impact on some of our long-term members as they look at retirement budgeting. Friday, February 12 – the entire meeting will be devoted to this all-member discussion opportunity. Please plan to attend.

PROGRAM HIGHLIGHTS . . .

January 29 – Joe Potter, Executive Vice President and COO of ISP Sports was today's guest. He joined ISP in 1993. ISP has 60 or so employees in their Winston-Salem office (on Trade Street) but has 50 or so other offices elsewhere in the United States. ISP sales advertising related to college athletics as well as sales, produces and distributes various media for many universities. Their largest competitor is LeeField Communications.

February 5 – Meeting cancelled due to foul weather.
