PROGRAM HIGHLIGHTS . . .

July 25 – Steed Lobotzke, Offensive Coordinator and Line Coach for Wake Forest's football team spoke today. He learned to know Coach Grobe while a star player at the Air Force Academy, and when Grobe came to WFU, remember Lobo, as he is often called, and asked that he come to WFU. Steed talked about getting his job, the new WFU offense, and recent ACC expansion. WFU's team this fall will be a young team, so it could prove to be a tough season. There will be lots of new faces, not just new X and O plays, and their goal will be to keep turnovers down. Steed does feel that the recent expansion will be good for the conference, but it will definitely keep WFU on their toes with tougher opponents.

August 1 - We met today at Cook Elementary School, with lunch provided by Ann Adams and the Golden Apple. Upon arriving at the school, we got to tour the facilities. The school is a bright and cheerful place to learn, but it is really in need of playground equipment. Benches which will be installed on the athletic field, picnic tables, a basketball goal, and other playground equipment are on order and should be delivered soon. In what is now a parking lot, the school wants to mark off hopscotch squares and paint a map of the United States. We were joined at lunch by the teachers, and Dr. Pelc introduced to us their leadership team. They are delighted to have our support for their approximately 200 students. During this summer, Dr. Pelc received an anonymous \$200 gift that relates to our partnership/contributions. She has used some of that money to purchase Easy Readers and rewards/incentives to be added to their Treasure Chest. Gordon Jenkins certainly was surprised to find Patsy Harbuck, now Pat Pulliam, at this meeting. Gordon and Pat attended their junior prom together, and neither new the other was going to be at this special meeting of Reynolda Rotary. Beginning the last week of August, Cook School will be ready for volunteers. In a future *Reynolda Rotary Review*, volunteer times and areas of interest will be included so you can select what area best suits your interest.
