## CLUB NEWS . . .

### 5 REASONS TO ATTEND THE 2007 RI CONVENTION:

- 1) **Reconnect with Rotary.** Inspirational stories during the plenary sessions will remind you why you became a Rotarian. You'll gain a deeper knowledge of Rotary and its Foundation during workshops, discussion group sessions, and countless other networking opportunities the convention offers. You'll leave with a new sense of Rotary pride and purpose.
- 2) **See old friends, make new ones.** Attending a Rotary convention is like being part of the world's largest family reunion. Imagine the same camaraderie and fellowship you know in your club, multiplied by thousands. Whether on the convention floor and or in host events such as barbeques, you'll experience what Rotary fellowship is all about.
- 3) **Celebrate your accomplishments.** RI conventions celebrate Rotary's power to do good worldwide. Learn what a difference you and your fellow Rotarians make through volunteering and contributing. You will have the opportunity to meet or learn about beneficiaries of Rotary programs, including the next generation of peacemakers during the Rotary World Peace Symposium, a new convention event.
- 4) **Location, location, location.** Nestled in the Rocky Mountains, Salt Lake City is beautiful, clean, and friendly — and waiting to be explored by you. Whether your definition of fun is fine dining or mountain biking, the region has something for you. It's also the gateway to some of the greatest sights of the American West, so plan your vacation around the convention. Salt Lake City also boasts the world's largest genealogical database, which Rotarians can access in the House of Friendship during the convention.
- 5) **Affordability.** Salt Lake City is inexpensive and compact. The convention's centralized venue, the Salt Palace, is near many hotels and most Host Organization Committee activities, saving you time and money. With the city's reasonable hotel rates, this adds up to one of Rotary's most affordable conventions. Refer to "How to Register" and the registration form (PDF) for more details.

*Merry Christmas!*

**BOARD MEETING:** Friday, January 5 at 11:45 a.m. in the Salem Room.

**SYMPATHY** is expressed to former Reynolda Rotarian **JOHN MILLS** and his wife **GINNY** on the death of Ginny's mother, Patricia Holshouser. Mrs. Holshouser died December 6 in Southern Pines. She was the wife

of former NC Governor Jim Holshouser. John and Ginny, along with their daughters, are serving as missionaries in Ocosingo, Mexico.

**COMPANY BUY-OUT!** Edmac Compressor Co., a family-owned (**ESHELMAN**) distributor of air-compression pumps and equipment has been bought by its long-time supplier, Atlas Copco, a Swedish company and leading maker of air compressors worldwide. The Winston-Salem office will operate as an Atlas Copco Compressor Center, and its 42 employees will remain in Winston-Salem.

## PROGRAM HIGHLIGHTS . . .

Rotarians along with their spouses and guests ate wonderful cuisine and heard delightful music from Sara Pardo and Brian Shoemaker from the North Carolina School of the Arts. Accompanying them was Mary Ann Bills on the piano. Thorns Craven told a brief synopsis of his recent trip to Scotland as part of the GSE Team and encouraged folks to volunteer to be host families this spring when the in-bound GSE team comes to our District. Lloyd Barnhardt, who spearheaded the purchasing of gifts for the Cook School kids, thanked everyone for their support yet again. We helped 92 children have a better Christmas. Santa's elves delivered the vast assortment of presents to Cook following the luncheon. *In addition, Lynn wants to thank everyone for the bonus she received. THANKS!*
